- A Rankin
- WA1440 rounds can be converted in to eligible WA720 scores by calculation. The calculation formulas are shown above
- Each individual WA720 score will devalue by 5 points every following month until such times that it is replaced by a score of higher value
- Any eligible score that becomes 12 months old will be withdrawn from the tables
- Any tie between competing ranking totals is resolved by the highest individual WA720 score at its current value to take priority
- All scores are sourced from Archery OSA. Scores are also valid from result sheets that do not fit the OSA criteria for publication i.e, National tournaments.
- Eligible tournaments will have been publicised prior to competition and with a status of either International (Int), Major (M) or Registered Minor Tournament (RMT)
- International (Int) scores by ANZ affiliated archers are eligible for ranking purposes, provided they were attained at a New Zealand venue
- The scope of the Ranking system is limited to New Zealand venues only
- Any matter not covered by these guidelines will be arbitrated by the administrator in the interim, until a definition is clarified

These Rankings are available on Archery New Zealand > Athletes > Rankings and facebook.com/raysranking

The use of International scores for inclusion in these Rankings has been reviewed. The conclusion has been reached to discontinue their being included, - excepting those within New Zealand venues, as locating them is a task this Ranking coordinator is not prepared to undertake as it is potentially very time consuming. Time to draw a line in the sand and confirm that the Ranking system currently in use will be for Domestic tournaments only. There are still some 'live' International scores in the current tables and these will ultimately expire with time. The timing of this notice is to coincide with upcoming Northern hemisphere archery season when a large portion of overseas tournaments occur.
