2 Annual report

The President provided an overview of the work of the Board during the last 12 months and thanked people who had provided helpful advice and support.

She congratulated the athletes and officials of the successful Trans Tasman team and Andrew Russell and his team for the recognition of archery in schools by the Secondary Schools Sports Council.

She noted that Auckland had won the bid to stage the World Masters Games in 2017. Some work has begun and will continue with Board and Auckland clubs involvement. Archery will be a mandatory sport for the first time.

Moved from the chair *That the Annual Report be received.* **Carried**

### **3 Financial Report**

Treasurer Alan Logan noted there were sufficient reserves to run the Association for one year but no more. This made reliance on grants a high risk.

For the budget to break even for the coming year there would need to be a significant increase in fees which the Board viewed as unacceptable.

There were some questions regarding the costs of the Trans Tasman trophy and the Oceania Championships. It was noted that World Archery-Oceania had paid the vast majority of costs of its tournament plus sponsorship from local sources. There was no cost to ANZ.

Moved Alan/Anne Mitchell *That the Financial report be approved.*

**Carried**

## **5 Affiliation fees**

As noted earlier the Board was looking at a \$10,000 deficit which, to cover with current membership numbers, would mean an increase of the top subscription from \$80 to \$112. This was not feasible so the Board is seeking to increase membership, obtain more sponsorship and to make a small increase in fees.

Moved Alan/Carole *That the affiliation fees for the 2013/14 season be:*

*Seniors \$90*

*Juniors: \$45*

*Kiwi \$12*

*Admin \$30.*

This would reduce the deficit by approx \$2,500.

Questions were asked about the major centres of expenditure (teams to World Championships, seminars Judges and Coaches), the issues surrounding membership and the numbers who belonged only to clubs, the need to maintain the buffer of at least one year's expenditure.

**Carried**

## **6 Strategic Plan**

There was little discussion on the Plan as much was particular to individual Commissions

Moved from the chair *That the Strategic Plan be approved.*

**Carried**

## **7 Constitution**

There had been a request to vote on the change to remove the Coaches' convener from the Board as a separate item to the rest of the constitutional changes.

The seminar of Coaches had recommended to the Board this change as part of a different structure, it had not been a Board initiative.

It was noted that:

- Ø there had been no Coaches' representative on the Board all year as none had been prepared to do the work;
- Ø by involvement with the governance matters of the Board there was not so much time available for coaching issues;
- Ø there is the opportunity for the Board to create committees to deal with various issues including governance;
- Ø by making this change it disrupts the whole balance and structure of the Board;
- Ø only a small group of Coaches was invited to the seminar and others did not necessarily agree with the new structure.

Moved Anne M/Carole *That the amendment removing the Coaches convener from the Board be approved.*

**Lost**

Moved Carole/Anne M *That the Constitution of Archery New Zealand as amended be approved.*

**Carried**
