Event code: 'I': international; 'M': major; 'R': RMT.

Ranking change: A comparison of last month's rank with this month's. Rankings that are better (i.e. you have moved up the table this month) are prefixed by "up". Conversely, rankings that are worse are prefixed by "down". Unchanged rankings are listed as "same", and new table entrants are listed as "new".

NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Well, here we are at the start of the 2013/2014 season proper with a few shoots to get going. Not a huge amount to report really, apart from to say that I will be updating the 72 arrow round tables as there has been an active discussion about what rounds are to be shot for these RMTs etc. I will get those tables updated and circulated as soon as possible, hopefully before the Nationals in January. My other major update for 2013 is ongoing, again another job to get sorted before the Nationals in January.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
