NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Yet again, another 300 scores and another 30 plus archers entered into the system for March. With many new juniors added, it was time to split up the JAMA archers by gender, as well as by discipline. Hence this month sees the start of the gender-specific JAMA tables. I hope you find them clearer to read. I have some other plans in the works to account for juniors changing divisions as they age. However, this is a major change to the way the tables work, and will look, so it is something more likely for the quieter winter months when I can spend lots of time on the process to get it right. I will keep you all posted as to my progress...

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
