NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

A very quiet month this month with a single score from an international competition, being the only database entry. Not more to say than that really this month, apart from keep warm.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
