NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

I hope the season is starting off well for everyone. I have made a decision about the junior rankings as an interim solution not to penalise those archers who shoot up from their correct age division, by allowing junior archers to be present in more than one table. Until now, those archers lose their previous year's scores where they cross an age division in January, as a significant number do every year. With my current setup, this should now not happen. A year after the age change of course, those archers do get removed from the table for their previous division automatically. I know this is not perfect, and I do want to get this sorted out properly.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
