Ranking change: A comparison of last month's rank with this month's. Rankings that are better (i.e. you have moved up the table this month) are prefixed by "up". Conversely, rankings that are worse are prefixed by "down". Unchanged rankings are listed as "same", and new table entrants are listed as "new".

NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Welcome to the 2015 rankings. What with there being a large Nationals this month, it will not surprise you all to be told that this has been the largest single month thus far. There were 449 scores recorded for NZ archers, smashing the previous record of 306 for January 2014. Great to see lots of new archers as well. Enjoy the season, and good shooting!!

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
