NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

It's still a busy month is February, so good to see loads more scores added into the database (nowhere as many as January, but that was a record month). All the best for the remainder of the summer outdoor season. Not much progress on the code changes I am afraid, maybe next month.....

As always, the best way to contact me on any matters relating to the rankings is at the email address below.

Best wishes,
