NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Wow, what a month - the biggest number of scores and new archers thus far since I started doing this, so lots of changes in the tables. The order has changed too (just to keep you on your collective toes!). 2016 is about automation of this process, so keep an eye out for announcements etc about that in the coming months.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.

Best wishes,
