**Event Schedule: 10<sup>th</sup> and 11<sup>th</sup> March 2018 at Ellesmere Archery Club, Southbridge, Canterbury**

- Day 1: 720 Qualification Round
  - The top 8 archers will move forward. This may be a single 72 arrow round depending on organizing committee's field size and archer numbers.

  - This Trial event may be combined with another event, in this case, the first 72 Arrow Qualification Round will be used for the selection event and any Elimination Round will not be counted within the selection procedures.

## **1. Trial Details**

### **1.1.72/144 Arrow Qualification Round**

1.1.1. Trials will take place for the following divisions:

- Junior
- Cadet
- Intermediate

### **1.2.72/144 Arrow Qualification Round**

1.2.1. One single 72 Arrow Qualification Round will be shot (dependent on field space and archer numbers. At all times preference will be to have the most number of archers possible), and ranking points will be allocated to the top eight archers according to their ranking at the conclusion of the Qualification Round. Points will be allocated according to Table 1 overleaf. Archers will shoot:

- 70m recurve junior
- 60m recurve cadet
- 50m compound junior and cadet
- 45m recurve and compound intermediate

1.2.2. The 72-Arrow Qualification round will be competed according to World Archery Rules.

1.2.4. A tie within the top 8 archers from the 72 Arrow Qualification will be broken by the total number of 10's followed by the total number of X's.

1.2.4.1. If a tie still exists between two or more archers, the tied archers will receive the same ranking and points associated with that ranking.

1.2.4.2. The next lower ranked archer will receive the ranking y places down from the ranking of the tied archers where y is the number of archers tied. For example, if three archers tie for 2nd place score with the same number of 10's and X's, then those three archers will receive the 2nd ranking for the Qualification Round and will receive 7 points. The next lower ranked archer would be 5th ranked in the Qualification Round and receive 4 points.

- 1.4.3. If an archer qualifying for the Round Robin Matches withdraws prior to the start of the Round Robin Matches, the next highest ranked archer from the Total Points standings will be allowed to compete in Round Robin Matches and will receive no qualification round ranking points.

#### 1.5. Round Robin Matches

- 1.5.1. In the seven Round Robin Matches, each male archer will shoot against each other male archer once and each female archer will shoot against each other female archer once.
- 1.5.2. Each Round Robin Match will be conducted using the Set-Play System for Recurve archers and the Compound Round for Compound archers using 15 arrow cumulative score (three arrow ends, 2 minutes per end).
- 1.5.3. Awarded Match Bonus Points – one point will be given for a win and zero for a loss, in each of the seven matches, and as per WA rules there will be a one arrow shoot off.

## 1.6. Three Arrow End Average

1.6.1. Following the series of seven matches, archers will be ranked and awarded points according to their Three Arrow End Average for the scores shot during the Round Robin portion of the event.

1.6.3. The Three Arrow End Average will be rounded to the thousandth place.

1.6.4. End scores shot during bye matches will not be calculated in the Three Arrow End average.

1.6.5. Points will be allocated according to the archer's Three Arrow End Average Ranking, as shown in Table 3 opposite:

1.6.6. If an archer withdraws from competition during the Round Robin Matches, archers who have shot against that archer prior to that archer withdrawing, will have their match score shot against the withdrawn archer count towards their Three Arrow End Average.

1.6.6.1. Archers who did not shoot against the withdrawn archer prior to that archer withdrawing will receive a bye and will not score their ends shot in the bye match. These arrows shot in this situation will NOT count toward the archer's Three Arrow End Average.

1.6.7. If a tie exists between two or more archers in the Three Arrow End Average for the trials event, the tied archers will receive the same ranking and points associated with that ranking.

1.6.7.1. The next lower ranked archer will receive the ranking y places down from the ranking of the tied archers where y is the number of archers tied. For example, if three archers tie for 2nd place score with the same Three Arrow End Average, then those three archers will receive the 2nd ranking for the Three Arrow End Average and will receive 7 points. The next lower ranked archer would be 5th ranked in the Three Arrow End Average and receive 4 points.
