1.4. Round Robin Matches

- 1.4.1. In the Ten Round Robin Matches, each male archer will shoot against each other male archer twice and each female archer will shoot against each other female archer twice.

- 1.5.6. If an archer withdraws from competition during the Round Robin Matches, archers who have shot against that archer prior to that archer withdrawing, will have their match score shot against the withdrawn archer count towards their Three Arrow End Average.

RANKING	POINTS
1	6
2	5
3	4
4	3
5	2
6	1

- 1.5.6.1. Archers who did not shoot against the withdrawn archer prior to that archer withdrawing will receive a bye and will not score their ends shot in the bye match. These arrows shot in this situation will NOT count toward the archer's Three Arrow End Average.

The archer with the lowest Three Arrow End Average will be ranked 5th.
 - 2.2.3. If more than 2 archers meet the requirements for the tie breaker match or if 2 or more archers tie to be the 2nd person for the tie breaker match, a single arrow shoot-off will be used to separate the tie and determine the two archers that will shoot the match against each other.
