Archery New Zealand wishes to thank most wholeheartedly the Clubs, specifically their membership Secretaries and Treasurers that have risen to the challenge that setting up an affiliation system from scratch brought to their clubs. Without your assistance, this year could have been extremely difficult. Communication with Clubs has been excellent, and we have enjoyed making contact.

Kelly Atkinson our ICT Manager and Anne Mitchell our Finance Manager have been at the coalface of the new system for Archery New Zealand, setting up the spreadsheets club fill in and then invoicing the clubs. Without their expertise and patience, the process would have been much more difficult.

The 1st of October 2023 is the start of the next ANZ membership year. ANZ looks forward to working with all the Clubs again. If you have any comments to make about the systems used this past year, we would like to hear from you. We will be in contact soon to find out the membership year your club works to. We sincerely hope that archers who choose not to affiliate through a club continue to join and be involved in Archery New Zealand.
