# ARCHERY NEW ZEALAND INTERCLUB TEAMS CHALLENGE

## Individual Archer Ranking - Round Two

Archers are ranked by the score shot for each round. In the event of a tie-break, cumulative scores across all rounds will be used to determine ranking.

For archers who have entered scores for more than one round, the 'percent change' column calculates how the score for the current round compares to the archer's average score.

| Rank     | Name                   | Club                  | Class             | Bowtype     | Round 1     |          | Round 2 |         | Cumulative Score | Round 2 % change |        |       |
|----------|------------------------|-----------------------|-------------------|-------------|-------------|----------|---------|---------|------------------|------------------|--------|-------|
