## 1. Introduction

---

- 1.1 Archery NZ is committed to maintaining the fundamental character of sporting competition as an honest test of skill and ability and to prevent Match-Fixing from undermining the integrity of archery.
- 1.2 In this Policy, Match-Fixing involves improperly taking any action to influence the overall result, or any part of, an event, match, tournament, shoot, selection trial or Championship for financial or other benefit; rather than solely for genuine medical or Sporting Tactical Reasons. It is usually associated with corrupt gambling practices such as placing Bets on arranged outcomes for financial return. However, Match-Fixing can also involve a range of associated activities. Match-Fixing activities prohibited under this Policy are set out in Rule 3 (Prohibited Conduct).
- 1.3 This Policy establishes anti-Match-Fixing rules to apply across archery in relation to any Match or Event Under the Jurisdiction of, or Connected to, Archery NZ whether inside or outside of New Zealand.
- 1.4 The purpose of this Policy is:
- a. to protect and maintain the integrity of archery
  - b. to protect archery against any efforts to improperly influence the result, or any aspect, of any Match or Event
  - c. to establish uniform rules and a consistent scheme of enforcement and penalties
  - d. to generally align with the New Zealand Policy on Sports Match-Fixing and Related Corruption developed by Sport New Zealand (Sport NZ)
  - e. to capture Match-Fixing as an offence
  - f. not to capture as an offence a situation where an athlete or team deliberately loses, underperforms or plays in a manner which the athlete or team intends will help obtain a more favourable sports outcome, for example, a more favourable draw in a competition. This type of activity may or could be prohibited by World Archery and/or Archery NZ rules but is not intended to be captured in this Policy.
- 1.5 Conduct prohibited by this Policy may also be a criminal offence and/or a breach of other applicable laws or regulations. This Policy is intended to supplement other laws and regulations and does not replace, prejudice or undermine in any way the application of other laws and regulations. People to whom this Policy applies must comply with all applicable laws and regulations at all times.
- 1.6 This Policy only applies to Relevant Persons associated with Archery NZ, as outlined in Rule 2 and listed in Schedule 1 of this Policy. This Policy cannot apply to third parties outside the jurisdiction of Archery NZ, who may often be involved in Match-Fixing. However, third party involvement may be addressed by law enforcement agencies. Archery NZ must therefore immediately inform and collaborate with relevant law enforcement agencies such as the New Zealand Police, where third party involvement is suspected, so possible criminal offences by third parties and by Relevant Persons under the Policy, can be addressed.
- 1.7 Education of all Relevant Persons and the Board, officers and management of Archery NZ about the requirements of this Policy, Match-Fixing risks and prevention strategies (as outlined in Rule 4), is essential to the credibility and proper functioning of this Policy.

- 1.8 Appendix F contains a flow-diagram of the key process steps of this Policy. Text boxes are also included to give advice on implementing the Policy. In brief, the enforcement process (not including processes of the New Zealand Police or other agencies) is as follows:
- a. information is investigated by a Complaints Panel Convener (a person designated by the Board of Archery NZ)
  - b. the Complaints Panel Convener forwards their report and recommendation to an Integrity Review Officer (a person designated by the Board of Archery NZ) who considers the material, together with material received from the person investigated and then:
    - i. decides whether or not low-level offences have been committed and, if so, imposes a warning and reprimand only; or
    - ii. decides that no offences have been committed in which case the matter is at an end; or
    - iii. decides whether the Complaints Panel Convener is required to refer serious matters to the Complaints Panel.
  - c. the Complaints Panel (a panel appointed by the National Secretary of Archery NZ & the Complaints Panel Convener) conducts hearings, makes decisions on matters referred to it and on any appeals against Integrity Review Officer decisions and imposes sanctions where appropriate.
  - d. there are some rights to appeal decisions of the Integrity Review Officer and the Complaints Panel.

## **2. Application of Anti-Match-Fixing Policy**

---

### **2.1 Policy made by Board**

- a. This Policy is made by the Board of Archery NZ and may be amended by the Board, provided that, as a minimum, this Policy is aligned, to an extent satisfactory to Sport NZ, with the following requirements in Sport NZ's model NSO Anti-Match-Fixing and Sports Betting Policy:
  - i. the offences in Rule 3
  - ii. the educational requirements in Rule 4
  - iii. the sanctions associated with Prohibited Conduct listed in Rule 14

### **2.2 Policy applies to Relevant Persons**

- a. This Policy applies to, and is binding on, all "Relevant Persons", as designated by the Board in Schedule 1 of this Policy.

- b. By virtue of obligations arising in or through membership, employment or other contractual relationship with Archery NZ, Relevant Persons are bound by and are required to comply with this Policy.

### 2.3 **Persons to whom this Policy does not apply**

  - i. persons who are not Relevant Persons.
  - ii. persons who are Relevant Persons but do not have a membership, employment or other contractual relationship with Archery NZ.

---

- 3.1 This Policy prohibits a Relevant Person engaging in the conduct and activities listed in this Rule 3. Any Relevant Person who engages directly or indirectly, alone or in conjunction with another or others in the listed conduct and activities commits an offence in breach of this Policy and will be subject to sanctions.

### 3.2 **Corruption:**

No Relevant Person shall:

- a. fix, contrive, improperly influence or otherwise take action which could cause the occurrence of a particular incident, outcome, result or anything else in a Match or Event, and for which any money, Benefit or Reward (including associated with a Betting arrangement) is expected or received; other than solely for genuine medical or Sporting Tactical Reasons

- b. pay or accept, or seek or offer or agree to pay or accept, any bribe or other Benefit or Reward for Inside Information
- c. To avoid doubt, this does not prevent the appropriate use or disclosure of Inside Information for genuine business or organisational purposes related to Archery NZ such as: communications between Archery NZ personnel for those purposes; necessary communications with other relevant sports sector personnel for those purposes; media interviews and other public commitments
- d. To avoid doubt, nothing in Rule 3.4a. is intended to prohibit any such disclosure made within a personal relationship (such as to a member of the Relevant Person's family) where it is reasonable for the Relevant Person to expect that such information can be disclosed in confidence and without being subsequently used for Betting, and where the person who is told the information is also told it cannot be shared with another person.

### 3.5 **General Offences:**

No Relevant Person shall:

- a. receive, take an action with the expectation of receiving, or provide or offer to provide any Benefit or Reward (for example a gift) in circumstances that might reasonably give the impression that the Relevant Person is involved in, influenced by, or connected with any Prohibited Conduct

- d. engage in any conduct relating directly or indirectly to any Prohibited Conduct listed in Rules 3.2 – 3.5, which is prejudicial to the interests of Archery NZ or which brings the person engaging in the conduct, or Archery NZ, into disrepute.

### **3.7 Failure to disclose information or cooperate with investigations**

No Relevant Person shall:

- a. fail to promptly disclose to Archery NZ via the National Secretary, full details of facts and circumstances of which they are aware, including any acts, incidents, approaches, invitations or threats relating to themselves or any other person regarding any Prohibited Conduct.
- b. fail to cooperate fully with any reasonable investigation carried out by the Integrity Review Officer or the Archery NZ appointed Complaints Panel regarding any alleged breach of this Policy, including providing any requested information.

### **3.8 Circumstances not amounting to Prohibited Conduct**

To avoid doubt, none of the measures in Rule 3 or otherwise specified in this Policy prevent:

- a. taking action solely for genuine medical or Sporting Tactical Reasons
- b. investment in, or financial support for, a team or athlete in accordance with legitimate commercial practices.

### **3.9 Factors not relevant in determining whether an offence has been committed**

The following factors are not relevant in determining whether an offence has been committed or not under this Policy (although they may be relevant to the appropriate sanction to be imposed):

- a. the Relevant Person was not participating in the Match or Event to which the offence is alleged to relate
- b. the nature or outcome of any Bets in issue
- c. the outcome of the Match or Event in question or of any aspect of it on which Bets were made
- d. whether or not any Benefit or Reward was actually given or received

- f. whether or not any of the results in, or any aspect of, the Match or Event in question were (or could have expected to have been) affected by any act or omission in question.

### **3.10 Other enforcement**

Rule 3 does not prevent enforcement of any other rules or the referral of Prohibited Conduct to the New Zealand Police or other law enforcement agencies.

### **3.11 Criminal offences**

Any information or reports on alleged Prohibited Conduct by a Relevant Person, or activity by anyone outside the sport, which the Complaints Panel Convener or Integrity Review Officer

considers may be a criminal offence, must be immediately referred, by the Complaints Panel Convener, to the New Zealand Police (the Crime Policy & Project Officer, National Criminal Investigations Group, Police National Headquarters, 180 Molesworth Street, P O Box 3017, Wellington, phone (04) 474 9499). The Complaints Panel Convener must also inform the President and Board of Archery NZ and the Chief Executive Officer of Sport NZ of this report to the New Zealand Police.

#### **4. Education**

---

- 4.1 Archery NZ must ensure that education about this Policy and its application to archery, is provided to all Relevant Persons to enable them to clearly understand Archery NZ's requirements regarding Match-Fixing rules and to be aware of risk management strategies. Education programmes:
- a. must be made available and provided to all Relevant Persons, the Board and Archery NZ management & Officers
  - b. should ideally be made available to as wide a range of persons as feasible including players, coaches, support staff, administrative staff, Judges, other officials and athlete agents
  - c. will cover the content of Archery NZ, Anti-Match-Fixing Policy and any other relevant information concerning Match-Fixing that Archery NZ considers appropriate
  - d. will include content on identification of and familiarisation with methods of engagement or entrapment of participants in Match-Fixing and on strategies for preventing any risk of Match-Fixing activity
  - e. will be carried out and updated regularly to include new personnel and keep people informed of the latest strategies and developments.
- 4.2 Archery NZ will ensure that everyone identified as a Relevant Person at the start date, or who becomes a Relevant Person within one month of the start date of this Policy completes an appropriate education program, as directed by Archery NZ, within three months after the start date of this Policy.
- 4.3 Archery NZ will ensure that those who become Relevant Persons one month or more after the start date of this Policy must undertake an appropriate education program, as directed by Archery NZ within two months after becoming a Relevant Person.
- 4.4 Relevant Persons must undertake an appropriate anti-Match-Fixing education program, as directed by Archery NZ, at least once every three years.

#### **5. Complaints Panel Convener**

---

- 5.1 Archery NZ must designate at least one Complaints Panel Convener who will be responsible for matters relating to overseeing Archery NZ anti-Match-Fixing measures, including performing functions and duties set out in this Policy.

## 6. Integrity Review Officer

---

- 6.1 An Integrity Review Officer designated by Archery NZ will be responsible for functions set out in this Policy, including reviewing and making decisions regarding material, reports, decisions, recommendations and submissions received from an Complaints Panel Convener and/or a Relevant Person.
- 6.2 The Integrity Review Officer role and process is set out in Appendix A.

## 7. Complaints Panel

---

- 7.1 The Board will appoint a Convener of the Complaints Panel who will be one of the Complaints Panel members.
- 7.2 The National Secretary of Archery NZ in conjunction with the Complaints Panel Convener shall from time to time appoint persons with appropriate skills and experience to sit on the Archery NZ Complaints Panel to consider allegations referred to it pursuant to this Policy. Complaints Panel members will be appointed for such time and such purposes as the Board thinks fit.
- 7.3 Matters referred to the Archery NZ Complaints Panel shall be heard and decided in accordance with the Disciplinary Procedure and Process set out in Appendix C.

## 8. Burden and Standard of Proof

---

- 8.1 The Complaints Panel Convener has the burden of establishing that an offence under this Policy has been committed and/or that a Provisional Suspension is appropriate.
- 8.2 In offences determined by the Integrity Review Officer and in matters being heard by the Complaints Panel, the standard of proof required is that the Integrity Review Officer or Complaints Panel is *comfortably satisfied*. This standard of proof is greater than a balance of probability but less than proof beyond a reasonable doubt.
- 8.3 A Relevant Person found to have committed an offence is, in regard to some offences, eligible for the “Lower range of sanctions” as recorded in the Table of Sanctions in Rule 14.5 but only if the Relevant Person establishes, on the balance of probability, the mitigating factor set out in Rule 14.4a.xii. Or 14.4a.xiii.

## 9. Reporting Process

---

- 9.1 It is fundamental to the operation of this Policy that Relevant Persons or any other person associated with the Archery NZ, report a suspected Match-Fixing breach to Archery NZ via the National Secretary as soon as practicable.
- 9.2 Except as required below, a Relevant Person must promptly report to the National Secretary of Archery NZ or ensure a report is made to the Complaints Panel Convener of, any acts, incidents,

approaches, invitations or threats relating to them or any other person regarding any Prohibited Conduct. This includes reporting that:

- a. the Relevant Person is interviewed as a suspect, charged, or arrested by the New Zealand Police regarding conduct that would amount to an allegation of Prohibited Conduct under this Policy
- b. the Relevant Person is approached by another person to engage in conduct that is Prohibited Conduct
- c. the Relevant Person knows or reasonably suspects that another person has engaged in conduct, or been approached to engage in conduct, that is Prohibited Conduct
- d. the Relevant Person has received, or is aware or reasonably suspects that another person has received, actual or implied threats of any nature regarding past or proposed conduct that is Prohibited Conduct
- e. the Relevant Person is aware or reasonably suspects that there is deliberate avoidance in Archery NZ of acknowledging and acting on any Prohibited Conduct, in which case the report must be made to the Chief Executive Officer of Sport New Zealand.

- 9.3 If a Relevant Person wishes to report the Complaints Panel Convener for involvement in conduct that is Prohibited Conduct under this Policy, then the Relevant Person must report the conduct to the President of Archery NZ.
- 9.4 If the Relevant Person wishes to report the National Secretary of Archery NZ who is also the Complaints Panel Convener, then the Relevant Person must report the conduct to the President of Archery NZ.
- 9.5 If the Relevant Person wishes to report the National Secretary (who is also the Complaints Panel Convener) and the President of Archery NZ, then the Relevant Person must report the conduct to the Chief Executive Officer of Sport NZ.
- 9.6 Where a Relevant Person makes a report to the President Archery NZ or Chief Executive Officer of Sport NZ as above, those persons to whom the report was made may refer the report to another Complaints Panel Convener designated by Archery NZ. Where there is not another Complaints Panel Convener, then the President Archery NZ or Chief Executive Officer of Sport NZ may designate another person to fill that role. If the report relates to Rule 9.2e, the Chief Executive Officer of Sport NZ will determine how to deal with the report and may, but is not required to, refer the report to a Complaints Panel Convener.
- 9.7 A report by a Relevant Person may be made verbally or in writing. However, the Complaints Panel Convener or National Secretary of Archery NZ must record the report in writing in a Match-Fixing incidents register within 48 hours of receiving it, and promptly forward a copy of that written record to:
  - a. the President Archery NZ where the notification was made to the Complaints Panel Convener under Rule 9.2
  - b. the President Archery NZ, where the notification was made to the National Secretary under Rule 9.3
  - c. the Chief Executive of Sport NZ, where the notification was made to the President Archery NZ under Rule 9.4.
- 9.8 Any report by a Relevant Person and any record of it under this Rule will be dealt with confidentially by Archery NZ unless disclosure is otherwise required or permitted under this Policy, by law, or if the

allegation of the Prohibited Conduct has already been made public by the Relevant Person who made the report and Archery NZ considers that, in the circumstances, the reasons for disclosure outweigh the reasons for non-disclosure.

- 9.9 In particular, the Complaints Panel Convener must use their best endeavours not to disclose information that might identify the Relevant Person who has made the report unless:
- a. the Relevant Person consents in writing to the disclosure of that identifying information; or
  - b. the Complaints Panel Convener reasonably believes that disclosure of identifying information:
    - i. is essential to enable an effective investigation; or
    - ii. is essential to prevent serious risk of harm to any person; or
    - iii. is essential having regard to the principles of natural justice.
- 9.10 A Relevant Person must not, by reason of having made a report about another person under this Policy, be subject to retaliatory action by Archery NZ, and if an Archery NZ employee, must not be disadvantaged in their employment.
- 9.11 Subject to law, the protections in Rule 9.10 will not apply where an investigation establishes that the person has intentionally made a false report, or made their report in bad faith.
- 9.12 A Relevant Person has a continuing obligation to report any new knowledge or suspicion regarding any conduct that may amount to Prohibited Conduct, even if the Relevant Person's prior knowledge or suspicion has already been reported.

## 10. Investigations

---

### 10.1 Responsibilities of Complaints Panel Convener

- a. The Complaints Panel Convener is responsible for investigating any alleged breach of this Policy. Subject to Rules 9.3-9.6, any allegation or suspicion of a breach of this Policy, whatever the source, shall be referred to the Complaints Panel Convener.
- b. Following receipt of a report or other information, the Complaints Panel Convener must do one of the following:
  - i. refer to the New Zealand Police (the Crime Policy & Project Officer, National Criminal Investigations Group, Police National Headquarters, 180 Molesworth Street, P O Box 3017, Wellington, phone (04) 474 9499), any report or information involving conduct which may be a criminal offence, inform the President and Board of Archery NZ and the Chief Executive Officer of Sport NZ of this referral and if considered appropriate, after taking into account any advice as to the next steps from the New Zealand Police, decide to investigate; or
  - ii. decide not to investigate (for example, but not limited to, where the report or information is frivolous or where the conduct complained of would not amount to a breach of this Policy or any relevant law); or
  - iii. decide to investigate.
- c. If the Complaints Panel Convener decides not to investigate, the Complaints Panel Convener must provide a written report of the conduct complained of, the decision and reasons for the decision to the Integrity Review Officer and, apart from reporting under Rule

9.7, no further action need be taken by the Complaints Panel Convener unless the Integrity Review Officer decides otherwise.

## 10.2 Investigation by Complaints Panel Convener

- a. The Complaints Panel Convener must investigate the activities of any Relevant Person who the Complaints Panel Convener believes may have committed a breach of this Policy or where the Integrity Review Officer decides that the Complaints Panel Convener must investigate.
- b. Investigations may be conducted in conjunction with, and information obtained in investigations may be shared with World Archery and/or other national archery organisations, Sport New Zealand and/or other relevant authorities (including criminal justice, administrative, professional and/or judicial authorities) but subject to any applicable laws in New Zealand.
- c. The Complaints Panel Convener may collect information relevant to the investigation. The collection of information will be subject to the privacy policies (if any) of Archery NZ and to applicable New Zealand law (such as the Privacy Act 1993). The Complaints Panel Convener may:

  - iii. request the Relevant Person to make a written statement setting out in detail all of the facts and circumstances of which the Relevant Person is aware regarding the alleged breach.
- d. Nothing in this Policy shall require a Relevant Person to surrender any rights under New Zealand law or in any applicable agreement between Archery NZ and the Relevant Person that they have not otherwise agreed to surrender pursuant to this Policy.
- e. Any Complaints Panel Convener investigation must be undertaken in accordance with any relevant provisions in any applicable agreement between Archery NZ and the Relevant Person. In particular, the Complaints Panel Convener will:
  - i. provide the Relevant Person with information in their possession relevant to the investigation, subject to any applicable legal obligations
  - ii. allow the Relevant Person an appropriate opportunity to consider and respond to that information.
- f. Subject to Rule 10.2d. and e., Relevant Persons shall cooperate fully with, and shall provide all reasonable help to, the Complaints Panel Convener in any investigation. A failure to cooperate may, depending on the circumstances, constitute an offence under this Policy.
- g. As overriding principles:
  - i. if at any time during an investigation the Complaints Panel Convener becomes aware of any matter which may constitute criminal wrongdoing, the Complaints Panel Convener must immediately refer any relevant information to the New Zealand Police (the Crime Policy & Project Officer, National Criminal Investigations Group, Police National Headquarters, 180 Molesworth Street, P O Box 3017,

Wellington, phone (04) 474 9499) and take direction from that agency about the way in which the Complaints Panel Convener should continue to proceed

- ii. provided always that the Complaints Panel Convener must comply with all relevant obligations under this Policy, any investigation must be concluded promptly and efficiently.

### **10.3 Completion of Investigation/Submissions to Integrity Review Officer**

- a. Following completion of the investigation, the Complaints Panel Convener must provide all relevant material obtained in the investigation, the Complaints Panel Convener's written report of the investigation and recommendations as to how the complaint shall be dealt with, to the Integrity Review Officer and to the Relevant Person who is being investigated (the Respondent).
- b. Not later than 14 working days after receipt of the material, report and recommendations from the Complaints Panel Convener, the Respondent may provide to both the Complaints Panel Convener and to the Integrity Review Officer any additional material that they believe is relevant and their written submission regarding the complaint.

## **11. Integrity Review Officer Role and Process / Appeal Against Decision of Integrity Review Officer**

---

### **11.1 Integrity Review Officer Decision**

- a. The Integrity Review Officer must, as set out in Appendix A, review and make decisions regarding material submitted to the Integrity Review Officer.

### **11.2 Appeal against Integrity Review Officer Decision**

- a. The Respondent (Relevant Person investigated) has a right of appeal against a decision of the Integrity Review Officer that an offence under this Policy has been established for which a sanction of a warning and reprimand only is imposed.
- b. Any appeals shall be heard by the Complaints Panel as a full hearing, where the Complaints Panel will hear all the evidence and make its own decision.
- c. Further provisions in relation to the appeal and the appeal process are set out in Appendix B.
- d. To avoid doubt, the Complaints Panel Convener/ Archery NZ does not have a right of appeal against a decision of the Integrity Review Officer.

## **12. When Complaints Panel Convener Must Refer Matter to Complaints Panel**

---

### **12.1 Complaints Panel Convener must refer the matter to the Complaints Panel**

- a. Where the Integrity Review Officer has notified the Complaints Panel Convener that:
  - i. there is sufficient evidence supporting that a Relevant Person has committed a corruption offence as listed in Rule 3.2 or a further offence under Rule 3.6 relating to Prohibited Conduct in Rule 3.2; or

- ii. there is sufficient evidence supporting that a Relevant Person has committed a non-corruption offence under Rules 3.3-3.7 and the offending is serious enough to warrant a sanction other than a warning and reprimand only;

The Complaints Panel Convener must refer the matter to the Complaints Panel as set out below.

- b. The Complaints Panel Convener shall send to the Complaints Panel and Relevant Person alleged to have committed an offence, written notice (“the Notice of Charge”) of the following:
  - i. that the Relevant Person is alleged to have committed an offence, and has a case to answer, under Rule 3
  - ii. the specific offence(s) that the Relevant Person is alleged to have committed
  - iii. details of the alleged acts and/or omissions relied upon in supporting the allegation that the Relevant Person has committed an offence(s)
  - iv. the range of sanctions applicable under this Policy if it is established that the Relevant Person has committed the alleged offence(s)
  - v. in the case of an alleged offence other than a corruption offence under Rule 3.2 or a further offence under Rule 3.6 relating to Prohibited Conduct in Rule 3.2, that the Integrity Review Officer considers that the level of offending is serious enough to justify a sanction other than a warning and reprimand only
  - vi. information concerning the Relevant Person’s rights and the procedure for the Relevant Person to respond to the Notice of Charge (as set out in Appendix C: C2).

## 12.2 Application for Provisional Suspension

- a. Where the Complaints Panel Convener files a Notice of Charge against a Relevant Person with the Complaints Panel, the Complaints Panel Convener may at the same time, or at a later date, and must, if required to do so by the Integrity Review Officer, also apply to the Complaints Panel for the Provisional Suspension of the Relevant Person until the Complaints Panel is able to determine the matter.
- b. Where the Complaints Panel Convener applies for Provisional Suspension, they must copy the Provisional Suspension application to the Relevant Person and those persons referred to in A6a.iii, iv. Or v. of Appendix A (as applicable).

## 13. Disciplinary Procedure and Process – Complaints Panel

---

- 13.1 Matters referred to the Archery NZ Complaints Panel by the Complaints Panel Convener or on appeal of a decision of the Integrity Review Officer shall be heard and decided in accordance with the Disciplinary Procedure and Process set out in Appendix C.

- a. Where in relation to matters referred to the Complaints Panel:
  - i. the Relevant Person admits they have committed the offence(s); or
  - ii. the Complaints Panel determines a Relevant Person has committed the offence(s);

the Complaints Panel must impose an appropriate sanction on the Relevant Person for the particular offence(s) from the column headed "Range of Sanctions for Each Offence" in the Table of Sanctions in Rule 14.5; and

The Complaints Panel may, in its discretion, but is not required to, impose additional sanctions from the column headed "Additional Sanctions the Complaints Panel may Impose" in the Table of Sanctions.
- b. To determine the appropriate sanction applicable in each case, the Complaints Panel must first determine the relative seriousness of the offending.
- c. In determining the relative seriousness of the offending, the Complaints Panel shall take into account aggravating and mitigating factors and shall identify which (if any) of those factors apply in this case.
- d. The Complaints Panel shall detail the effect of the relevant aggravating and mitigating factors on the final sanction in its written decision.
- e. The "Lower range of sanctions" in the Table of Sanctions apply only if the requirements of Rule 8.3 are satisfied. To avoid doubt, the mitigating factors referred to in Rule 8.3 may be raised as mitigating factors but cannot be used to access the "Lower range of sanctions" unless Rule 8.3 is satisfied.

## 14.3 Aggravating Factors

- a. In determining the relative seriousness of the offending in each case, the Integrity Review Officer or the Complaints Panel shall identify and take into account which, if any, of the following aggravating factors apply:

  - ii. a lack or low level of genuine remorse on the part of the Relevant Person
  - iii. the Relevant Person has previously been found guilty of an offence under this Policy or any predecessor of this Policy
  - iv. the Relevant Person has previously been found guilty of any Match-Fixing or similar offences and/or breaches under any laws, polices or regulations of any other body
  - v. the amount of any Benefit, or Reward, directly or indirectly received by the Relevant Person as a result of the offence(s), is substantial and/or where the sums of money otherwise involved in the offence(s) are substantial
  - vi. the offence substantially damaged (or had the potential to damage substantially) the reputation of, the commercial value of and/or public interest in the relevant Event(s) or Match(es)
  - vii. the offence affected (or had the potential to affect) the result of the relevant Event(s) or Match(es)

- b. Where a Relevant Person is found guilty of committing two breaches under this Policy relating to the same incident or set of facts and sanctioned separately, then any sanctions imposed should run concurrently (and not cumulatively).
- c. Where a fine and/or costs award is imposed against a Relevant Person, then such fine or costs award must be paid within a reasonable time period specified by the Complaints Panel. Archery NZ will consider any request from the Relevant Person, on the grounds of hardship, to make the payment of any fine and/or costs award imposed over a period of time, which may involve instalment payments.
- d. If a fine or costs award (or agreed part payment or instalment of) is not paid by the date set down by the Complaints Panel, or within such deadline or by the time of the next agreed payment date then, unless Archery NZ agrees otherwise, the Relevant Person will be suspended until such payment or part payment is made. Archery NZ may also seek to recover the fine by recovery/enforcement action.
- e. Any Suspension imposed on a Relevant Person starts on the date that the decision imposing the Suspension is issued:
  - i. provided any period of Provisional Suspension served by the Relevant Person shall be credited against the total period of Suspension to be served; or
  - ii. unless otherwise indicated in the written decision.

A Relevant Person who is suspended is prohibited, during the period of Suspension, from playing, training as part of a team or a squad, officiating, coaching, selecting, administering and/or otherwise participating or being involved in any capacity in any Match, Event, function or other activity (other than authorised anti-corruption education or rehabilitation programmes) that is authorised, organised, sanctioned, recognised or supported in any way by Archery NZ or any member organisations of Archery NZ (such as regional organisations or clubs).

World Archery, other international sporting federations, national archery organisations in other jurisdictions, other New Zealand-based national sport organisations, or national sport organisations of other sports in other international jurisdictions, will be entitled to give effect to and enforce the above Suspension in their respective jurisdictions regarding other sports, as if the Suspension related to that sport.
- h. A Relevant Person who is subject to a Suspension shall remain subject to this Policy during the Suspension period. If the Relevant Person is alleged to have committed an offence under this Policy during that period, this shall be treated as a separate matter, and separate proceedings will be brought, under this Policy.
- i. Once any period of Suspension has expired, the Relevant Person will automatically become re-eligible to participate fully again in Matches, Events, functions or activities authorised, organised, sanctioned, recognised or supported in any way by Archery NZ or member organisations of Archery NZ provided that the Relevant Person has:
  - i. completed an Archery NZ approved anti-Match-Fixing or other anti-corruption programme to the reasonable satisfaction of the Complaints Panel Convener

- a. If the decision is that an offence has been committed:

- i. for which a sanction of a warning and reprimand only has been imposed, Archery NZ has a discretion to publicly report the decision
    - ii. for which a sanction other than a warning and reprimand only has been imposed Archery NZ must publicly report the decision
    - iii. posting the decision on the Archery NZ website is sufficient to publicly report the decision, provided that in each case Archery NZ must, prior to posting, notify the Chief Executive of Sport New Zealand of the date upon which the posting on the website will be made, if the decision is not appealed
    - iv. public reporting must not occur until any appeal period has lapsed without the decision being appealed and must then occur promptly regarding Rule 16.2a.ii above.
  - b. If the Integrity Review Officer or Complaints Panel determines that no offence has been committed by the Relevant Person, then the decision may be publicly reported only with the consent of the Relevant Person who is the subject of the decision. Archery NZ shall use reasonable efforts to obtain such consent, and if consent is obtained, shall publicly disclose the decision in its entirety or in such redacted form as the Relevant Person may approve.
- 16.3 Archery NZ shall use its best endeavours to ensure that persons under its control do not publicly identify any Relevant Persons who are alleged to have committed an offence under this Policy, unless and until the Integrity Review Officer or Complaints Panel has determined that an offence has been committed, or as allowed under Rule 16.2 b. above.
- 16.4 However, Archery NZ in its discretion may at any time disclose to other organisations such information as Archery NZ may consider necessary or appropriate to facilitate the administration or enforcement of this Policy, provided that each organisation provides assurance satisfactory to Archery NZ the organisation will maintain all such information in confidence.
- 16.5 Archery NZ will not comment publicly on the specific facts of a pending case even if public comments are made by (or on behalf of) the Relevant Person involved in the case or their representatives unless Archery NZ considers that, in the circumstances, the reasons for public comment outweigh the reasons for not making public comment.

## 18. Protection and Support Mechanisms

---

18.1 Archery NZ will have protection and support mechanisms in place for Relevant Persons who may come in contact with, or be involved in, Match-Fixing activity or to limit risky situations where this might occur. Protection and support mechanisms established may include those listed below and Archery NZ will ensure Relevant Persons are advised of these where in place.

### 18.2 Protection mechanisms

Protection mechanisms that Archery NZ may establish at its discretion include, but are not limited to:

- a. monitoring Betting accounts of Relevant Persons
- b. monitoring Betting activity on any Match or Event Under the Jurisdiction of, or Connected to, Archery NZ
- c. security measures restricting access to participants from non-essential personnel<sup>3</sup> at Matches or Events
- d. limiting or prohibiting participants' use of electronic communication devices (phones, computers, tablets etc.) in/at restricted areas/times during Matches or Events
- e. Publically announcing sports officials (especially judges & Director of Shooting) within as short a period before a Match or Event begins as possible
- f. regular scrutiny of referees' and judges' field decisions
- g. paying particular attention to measures to safeguard athletes who are minors or at Matches or Events predominantly involving minors.

Support mechanisms that Archery NZ may enact at its discretion include, but are not limited to:

- a. having confidential and accessible reporting processes and a 'whistle blower' policy in place to support people coming forward with any relevant information
- b. publicising the contact details (eg name, phone number and email address) of the Archery NZ Complaints Panel Convener whom anyone connected with Archery NZ can contact regarding any Match-Fixing related matters, who can assess the situation and offer sound advice, protecting confidentiality where appropriate
- c. pre-determining procedures to keep Relevant Persons safe, who have been approached to engage in Match-Fixing
- d. encouraging athletes to seek support from their player associations.

---

<sup>3</sup> Archery NZ will need to determine which personnel are 'non-essential' depending on the situation. Media personnel, for example, might be considered essential to certain match-related proceedings.

## 19. Sports Betting Agreements

---

- 19.1 Under the Racing Act 2003, the New Zealand Racing Board (NZRB) must establish a sports Betting agreement with Archery NZ before the NZRB can offer Betting on 'Authorised Events' agreed to by Archery NZ. Under the Act, the NZRB must also provide a percentage of sports betting revenue to Archery NZ.
- 19.2 To comply with the requirements of the NZRB's model agreement, Archery NZ will at a minimum have rules relating to Betting in place, which, in particular, must prevent a 'Relevant Person' as defined in the Betting Rules pursuant to the Racing Act, who participates in an Authorised Event, from Betting on that Authorised Event.
- 19.3 Archery NZ will use its Betting agreement to further manage Match-Fixing risks by working with the NZRB to identify Bet types which will be jointly reviewed by Archery NZ and NZRB regularly, over the term of the Betting agreement.
- 19.4 In particular, Archery NZ should consider using its Betting agreement to:
- a. restrict or prohibit 'spot' Bets (ie Bets on particular actions within Matches or Events which are more easily manipulated than, for example, overall Match or Event results)
  - b. agree with the NZRB that maximum wager amounts are capped at modest levels for the types of Bets or formulae for which associated actions are most easily manipulated, such as 'spot' Bets, if permitted
  - c. restrict other types of Bets which may have higher risks regarding Match-Fixing, such as Bets on minors or in competitions predominantly involving minors, depending on the circumstances.
- 19.5 Subject to any legal requirements preventing this, Archery NZ Betting agreements will also include agreed protocols for timely information and intelligence sharing between Archery NZ and the NZRB to support preventative and investigative measures. Alternatively, separate information sharing agreements may be established.

## 20. Information Sharing and Collaboration

---

- 20.1 Subject to any legal restrictions, or those relating to confidentiality or privacy, Archery NZ will provide and exchange information, and collaborate regarding any Match-Fixing related matters, via protocols to be agreed, with Sport New Zealand and law enforcement or other relevant agencies including the Serious Fraud Office, New Zealand Police, the Organised and Financial Crime Agency New Zealand, the NZRB and the Department of Internal Affairs or relevant overseas agencies.

**A6. Integrity Review Officer must report findings**

- a. Where the Integrity Review Officer decides that no breach of this Policy has occurred, or, there is insufficient evidence to support an allegation of a breach of this Policy or an offence has been established where a sanction of a warning and reprimand only is imposed, the Integrity Review Officer shall provide a written report of their findings and recommendations (if any) to:

  - i. a corruption offence as listed in Rule 3.2 or a further offence under Rule 3.6 relating to Prohibited Conduct in Rule 3.2; or
  - ii. a non-corruption offence under Rules 3.3 - 3.7 and the Integrity Review Officer considers the offending is serious enough to warrant a sanction other than a warning and reprimand only.
- b. The Integrity Review Officer must forward a copy of the notification in A7a of this Appendix A to the Chief Executive Officer of Sport NZ.

**A8. Provisional Suspension**

- a. In addition to the requirement under A7, the Integrity Review Officer may also require the Complaints Panel Convener to apply for Provisional Suspension of the Relevant Person until the Complaints Panel is able to determine the matter.

**APPENDIX C: Disciplinary Procedure and Process - Complaints Panel**

**C1. Start of Proceedings by Filing Notice of Charge**

- a. Proceedings are started by the Complaints Panel Convener referring an alleged breach of this Policy to the Complaints Panel by filing a Notice of Charge and serving a copy on the Relevant Person alleged to have committed the breach.
- b. The Notice of Charge may be served by post, courier, email or facsimile or delivered in person.

- c. The Complaints Panel Convener will provide written confirmation of both the service of the Notice of Charge on the Relevant Person (i.e. that the Relevant Person has received the Notice of Charge) and the date of service.
- d. If the Complaints Panel Convener is unable to serve the Notice of Charge on the Relevant Person, the Complaints Panel Convener may apply to the Complaints Panel for an order for substituted service, indicating the proposed manner of substituted service which the Complaints Panel Convener believes will bring the Notice of Charge to the attention of the Relevant Person.

**C2. Response to Notice of Charge**

- a. The Relevant Person has the right to:
  - i. defend the charge(s) or any of the charges in a hearing; or
  - ii. admit the charge(s) or any of the charges but request the right to participate in a hearing to make submissions as to the appropriate sanction; or
  - iii. admit the charge(s) and advise they do not wish to participate in a hearing to make submissions as to sanction and acknowledge that the Complaints Panel may impose a sanction without holding a hearing.
- b. Within 14 days of the date of service of the Notice of Charge, the Relevant Person shall file in writing with the Complaints Panel, and copy to the Complaints Panel Convener and to Archery NZ, their response to the Notice of Charge as set out above.
- c. If the Relevant Person does not file a response to the Notice of Charge within the 14 day period, or such extended period as may be ordered by the Complaints Panel, the Relevant Person will be deemed to have waived their right to participate in a hearing, although the Complaints Panel may, in its discretion, subsequently give the Relevant Person leave to participate.

**C3. Appointment of Complaints Panel Hearing Panel**

- a. Upon the Complaints Panel receiving a Notice of Charge, or at a later date, the Convener of the Complaints Panel shall appoint three members of the Complaints Panel to form the Complaints Panel to hear and decide the allegation.
- b. The panel of three will usually include the Chairperson. However, if the Panel does not include the Convener, the Convener will appoint one of the panel members as Convener of the panel.
- c. The appointed members shall be independent of the Parties to the proceedings and shall have had no prior involvement with the case.

**C4. Provisional Suspension**

- a. Where the Complaints Panel Convener has filed an application for Provisional Suspension of the Relevant Person pursuant to Rule 12.2, the Complaints Panel will consider the application urgently and will normally hold a hearing as soon as practicable to decide whether to impose a Provisional Suspension.

- b. The Complaints Panel will notify the Parties of the time and date of the Provisional Suspension hearing and the form it will take (e.g. in person or by audio or audio-visual means). The Complaints Panel may consult with the Parties prior to the Provisional Suspension hearing about any matters necessary to progress the application to a hearing.
- c. The Complaints Panel may decide to not hold a Provisional Suspension hearing if the Relevant Person agrees to accept a Provisional Suspension and if so, will promptly make an order provisionally suspending the Relevant Person.
- d. In exceptional circumstances (such as that the Relevant Person is due to participate in competition the day after the Provisional Suspension application is filed and hearing the Provisional Suspension is not possible) the Complaints Panel may in its discretion decide to impose a Provisional Suspension based on the material before it without holding a hearing, receiving submissions or other communication from the Relevant Person. However, in such cases the Complaints Panel will either hold an expedited hearing on whether the Provisional Suspension should be maintained or hold an expedited hearing in relation to the alleged offence under this Policy, as soon as possible after the imposition of the Provisional Suspension.
- e. The Complaints Panel will, wherever possible, seek to hold an urgent provisional hearing (unless the Relevant Person agrees to accept a Provisional Suspension) before imposing a Provisional Suspension, but the choice of procedure to be followed will be a matter for the Complaints Panel in the particular circumstances.
- f. The Complaints Panel will adopt such procedures for any hearing regarding a Provisional Suspension (whether held before or after the imposition of a Provisional Suspension) as the Tribunal considers will provide the Parties with a fair hearing in the matter.
- g. The Complaints Panel may impose a Provisional Suspension where it considers that there is a prima facie case that an offence under this Policy has been committed and that it is appropriate to impose a Provisional Suspension on the Relevant Person.
- h. A Relevant Person who is provisionally suspended is barred temporarily from participating in any Matches, Events or other activities associated with Archery NZ as detailed in C4i. of this Appendix C, until the Complaints Panel makes a final decision whether the Relevant Person has committed any offence they have been charged with under this Policy.
- i. During the period of Provisional Suspension, a person who is provisionally suspended is prevented from playing, training as part of a team or a squad, officiating, coaching, selecting, administering and/or otherwise participating or being involved in any capacity in any Match, Event, function, or other activity (other than authorised anti-corruption education or rehabilitation programmes) that are authorised, organised, sanctioned, recognised or supported in any way by Archery NZ or any member organisations of Archery NZ such as regional organisations or clubs.
- j. World Archery, other international sport federations, national archery organisations in other jurisdictions, other New Zealand-based national sport organisations or national sport organisations of other sports in other international jurisdictions will be entitled to give effect to and enforce the above Provisional Suspension in their respective jurisdictions regarding other sports, as if the suspension related to that sport.
- k. Where a Provisional Suspension is imposed and fulfilled by the Relevant Person, they shall receive a credit for such period of Provisional Suspension against any period of Suspension

that may ultimately be imposed if the Complaints Panel determines an offence has been committed.

- l. If a Relevant Person voluntarily agrees in writing with the Complaints Panel Convener to accept a Provisional Suspension during the course of an investigation and thereafter refrains from competing or participating in Matches, Events or other activities listed in C4i of this Appendix C, then the Relevant Person shall receive a credit for such period of voluntary Provisional Suspension against any period of suspension which may ultimately be imposed.
- m. The Complaints Panel has discretion whether to allow credit against a period of suspension for any time period before the effective date of the Provisional Suspension or voluntary Provisional Suspension where the Relevant Person elected not to compete or was suspended by Archery NZ.

#### **C5. Preliminary Matters and Pre-Hearing Conferences**

- a. The Chairperson and/or the Complaints Panel may hear and determine any preliminary matters that arise.
- b. The Complaints Panel will normally convene a pre-hearing conference with the Parties which will usually be held within seven days of the Relevant Person filing their response to the Notice of Charge.
- c. The pre-hearing conference may be conducted in person or by audio or audio-visual means.
- d. There may be more than one pre-hearing conference held as necessary.
- e. The purpose of the pre-hearing conference will be to discuss and decide procedural matters to progress the case towards a hearing.
- f. During the pre-hearing conference the Complaints Panel may fix the date of the hearing, decide the type of hearing (which may be in person or by audio or audio-visual means), the venue for the hearing, give any procedural or evidential direction that may be appropriate (including timetables for filing any evidence, witness statements or submissions) and make such other orders as necessary to facilitate the prompt and just expedition of the matter.
- g. At the discretion of the Complaints Panel and with the consent of the parties, a pre-hearing conference may become the hearing.

#### **C6. Hearings**

- a. The purpose of the hearing shall be:
  - i. to determine whether the Complaints Panel considers that the Relevant Person has engaged in the Prohibited Conduct alleged in the Notice of Charge and therefore committed an offence under this Policy
  - ii. to impose sanctions in accordance with this Policy if the Complaints Panel determines, or the Relevant Person admits, that an offence under this Policy has been committed.
- b. The Complaints Panel may conduct the hearing as it sees fit and shall not be bound by rules of evidence or unnecessary formality.

- c. However, the Complaints Panel must conduct the hearing and determine matters in accordance with the principles of natural justice and procedural fairness. This includes, but is not limited to, the Complaints Panel:
  - i. conducting the hearing in a manner that is fair and appropriate to the circumstances
  - ii. providing the Parties adequate notification of the date, time, and place of the hearing
  - iii. ensuring adequate notification of the allegations against the Relevant Person has been provided to the Relevant Person
  - iv. ensuring the Relevant Person and their representatives, the Complaints Panel Convener and/or Archery NZ is given an adequate opportunity to be heard and to prepare and present their case
  - v. ensuring the Relevant Person is provided with and given proper opportunity to consider, challenge or contradict any evidence that is relied upon to support allegations against them and that the Relevant Person is also fully aware of the nature of these allegations
