

Ranking Results for May 2017

NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

So here we are, into the second month of the new format. Why the massive change to the rankings I hear you ask? Well there are a variety of factors, the main one being all the manual formatting I have done in Excel to make the rankings look appealing, and hopefully easy for you to read. I wanted to replicate that, but in an automated way, hence I decided to use the \LaTeX typesetting and document preparation system for the easier generation of PDFs. Plus, everything is better if it can be coded, right? I hope you like them, and find them as easy to read as their Excel forerunners.

Very little data this month, with only one event, so not many changes overall.

Please also take note that the new results template is available on the ArcheryNZ Downloads page, so please start using that if you are not already doing so. It makes for a happy ranking administrator.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.

Best wishes,

Patrick Biggs — rankingadmin@archerynz.co.nz — May 2017

Notes common to all tables:

- Event code: 'I': international; 'M': major; 'R': RMT.
- Ranking change: A comparison of last month's rank with this month's. Rankings that are better (i.e. you have moved up the table this month) are prefixed by "up". Conversely, rankings that are worse are prefixed by "down". Unchanged rankings are listed as "same", and new table entrants are listed as "new".
