

Ranking Results for December 2018

NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Well, December 2018 has been another truly massive month for scores. Three of the 6 biggest months in the database are in 2018, and December goes straight in at number 4, pushing the recently released October back to number 5.

I have been working to get the last few months up-to-date over the Christmas/New Year break, and this is now the case. I wish everyone good luck at the upcoming Nationals, and I will be ready to analyse the January data at the start of next month.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.

Best wishes,

Patrick Biggs — rankingadmin@archerynz.co.nz — December 2018

Data from events entered since the last rankings:

The following table shows the results that have been sent to me since I prepared the last rankings, so have been added in. These may not from all the tournaments from the last month, but I am now only processing those that get sent to me in the proper format. There may also be results from the preceeding month(s) that have only been sent to me recently. If there are tournaments not listed here, please get in touch both with me and the tournament organisers so they can be included in subsequent rankings.

Notes common to all tables:

- Event code: 'I': international; 'M': major; 'R': RMT.
- Ranking change: A comparison of last month's rank with this month's. Rankings that are better (i.e. you have moved up the table this month) are prefixed by "up". Conversely, rankings that are worse are prefixed by "down". Unchanged rankings are listed as "same", and new table entrants are listed as "new".

Table 1: Tournaments entered for month 120

Event Date	Event Location	MonthID	Event Name	Round Type	Event Type	Event Code
