

## Ranking Results for June 2017

NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Here we are with the third month of the new format for the rankings, and I have not had any feedback – good or bad – as to whether you are happy with it. I will take it as "no news is good news" then! Quite a few changes this month, as a quite a few "loose ends" have been tied up, in the aim of hopefully making things better.

Apologies for the delays in ranking over the winter months – work changes have taken over my life, and I hope the combination of the results template, and my ability to automatically generate these files will help speed the process up once we start outdoors again in September/October.

In that vein, please also take note that the new results template is available on the ArcheryNZ Downloads page, so please start using that if you are not already doing so. It makes for a happy ranking administrator.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.

Best wishes,

Patrick Biggs ||[rankingadmin@archerynz.co.nz](mailto:rankingadmin@archerynz.co.nz)||June2017

Notes common to all tables:

- Event code: 'I': international; 'M': major; 'R': RMT.
- Ranking change: A comparison of last month's rank with this month's. Rankings that are better (i.e. you have moved up the table this month) are prefixed by "up". Conversely, rankings that are worse are prefixed by "down". Unchanged rankings are listed as "same", and new table entrants are listed as "new".
