### Registrar's Report to the 2013 A.G.M

The update of the shooting rules has arrived but there are still a few items that have been passed to the Athletes Commission to resolve. These are mostly rounds to delete or add and a suggestion that Merit Stars could be reintroduced for RMT's. In my opinion the whole bar system needs a rethink because as seen below it is hardly used. Whatever the decisions are I urge archers to make them at this meeting so that we can once again have a standard rule book available to all.

In 2011 I have issued:

9	Recurve FITA Stars
18	Compound FITA Stars
11	Recurve FITA Roundels
8	Compound FITA Roundels
0	Arrowhead Badges
37	Perfect Pins
2	Elite Bars
0	Triple Bars

New Records:

11	Open Records
92	New Zealand Records
51	National Tournament Records

I am available to continue as Registrar for the next year.

Ivan Powley
