

Registrar Report for 2014

I have recently been appointed registrar, so please bear with me while I am still learning the ropes. To be fair I was unaware that there were so many pins that you could claim, so sorting them out has certainly been a mission and a learning curve. I have since learned that there are also a lot of shooters out there able to claim pins. If you are unsure about what you can claim for, do not hesitate to contact me

I am also aware of archers who have claimed pins and not received them. If you are one of these people please let me know, I will arrange to get this sorted and to you as soon as possible.

The claim form is now on the Archery New Zealand website,  
I look forward to seeing claims from you all throughout the year  
Have a great 2014

Kerry Turner  
Registrar
