

29th October 2015

Hi There,

The Club would like to raise the following at the AGM.

The Rotorua Archery Club would like Archery New Zealand to consider that when Waitangi Day falls on a Saturday or Sunday and the public holiday is observed on the Monday (creating a three day weekend) that the Waitangi Day postal shoot be permitted to be shot on the Monday as if it was Waitangi Day.

2016 will be the first year that Waitangi Day gets Mondayised and there is the possibility that archers may like to attend a tournament on this long weekend but then would miss out on the opportunity to shoot in the postal. By allowing the postal to be shot on the new Monday holiday would then give archers more choice about which to do.

Next year will be the only time this occurs for a few years as Waitangi Day from 2017 will be during week.

The Rotorua Archery Club feel that it would be best to get this situation resolved prior to it becoming an issue.

Cheers
Robert Atkinson
Secretary - Rotorua Archery Club
