

# ANZ Outdoor League

---

The ANZ League indoor league series has been a great success over this winter season. We have had over 90 individual archers join in on submitting scores, with several archers have chosen to shoot multiple disciplines.

Multiple clubs and individuals have expressed great interest in continuing this league series past the indoor season and to create an outdoor equivalent, so we have decided to continue this shoot over the summer months (with some changes to the round being shot).

## Proposed Rules

- 1) The event format is a 30m '360' round – 36 arrows at 30m, 80cm target. Archers may opt to use either a reduced face (6-10) or a single full sized face.
- 2) Events shall be run to World Archery rules, but without a requirement for timing or judges.
- 3) Divisions shall be: Open Compound, Open Recurve, Open Recurve Barebow, Open Longbow, Open Crossbow (no gender or age divisions)
- 4) Participants must be members of ArcheryNZ.
- 5) There shall be one round per calendar week (Monday-Sunday) from November 7<sup>th</sup> until 12<sup>th</sup> March (break from 26-Dec – 15-Jan & total of 15 weeks over 2016-2017).
- 6) Clubs may organise multiple timeslots to shoot the event, but competitors may only shoot one round each per week. Competitors must nominate that they are shooting a League round before commencing, and the round shall be valid for that week as soon as the first scoring end is commenced.
- 7) All scores must be verified by at least one member of each participating club, and emailed to the ANZ Indoor League Coordinator no later than 6pm the following Monday.
- 8) Entrance to the League is free of charge for all ArcheryNZ members.
- 9) Within each division, there shall be an overall championship and a handicapped championship:
  - a. The Overall Championship shall be determined based on the highest aggregate score of each archer's top 10 submitted scores.
  - b. The Handicapped Championship shall be determined based on the highest number of Points, awarded as follows:
    - i. An archer's handicap for each week is calculated =  $(360 - \text{mean average of previous rounds shot to date in the calendar year})$ . This handicap is added to the archers score to give an adjusted total.
    - ii. Points are awarded based on the adjusted totals as follows. There shall be no tie breaks – archers finishing on the same score shall be declared of equal position.

Weekly Placing based on Adjusted Score	Points Awarded
1 <sup>st</sup>	15
2 <sup>nd</sup>	14
3 <sup>rd</sup>	13

<b>4<sup>th</sup></b>	12
<b>5<sup>th</sup></b>	11
<b>6<sup>th</sup></b>	10
<b>7<sup>th</sup></b>	9
<b>8<sup>th</sup></b>	8
<b>9<sup>th</sup></b>	7
<b>10<sup>th</sup></b>	6
<b>11<sup>th</sup></b>	5
<b>12<sup>th</sup></b>	4
<b>13<sup>th</sup></b>	3
<b>14<sup>th</sup></b>	2
<b>15<sup>th</sup></b>	1

10) Certificates will be prepared for champions in each division for both the Overall Championship and the Handicapped Championship.
