NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

A quieter month this month, as we head into winter with a lot less events to record into the database. The eagle eyed amongst you will spot a new column this month, that of "Event Type". This column shows the type of event the rould was shot at, and with the return of RMTs we now have 3 categories: 'I': international; 'M': major; 'R': RMT. As I saind last month, I am starting the process of some major changes in the database, so stay tuned.....

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
