NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Well, it has been another busy month, and this month sees more ranking changes. I am pleased to say that given the numbers of juniors in some divisions I have decided - after Board discussions - to break the juniors up by division and bowtype. The immediate consequence of this was that the rankings suddenly were 16 pages long, as 4 tables became up to 20. Given that I generate the results as PDFs, and they are scaleable, I have decided to go to portrait mode from now on to make the results more compact. I doubt many people actually print the results out anyway, so it is probable not a huge issue as they are viewed on a screen. If this is an issue however, please let me know.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
