**NB:** Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

**NB2:** I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Not so many results this month, as we head into winter. We had a tournament span two months (the Queen's Birthday shoot), so only the scores shot in May have been included in the May rankings. Those in June will appear in next month's results.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
