NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

Apologies for the delay in this month's rankings - many of you will have read that my computer suffered a hard disk failure, and had to be repaired. As it has been a month with a great many results too, it was unfortunately a less than ideal time for the failure to have happened (not that such a failure would be good at any time!). Anyway, my computer is back now, I have a nice new shiny fusion drive, the ranking environment has been rebuilt, and I can run the calculations again. I will get on with the March rankings too, and hopefully I can those out to you all much quicker than the February ones.

Oh, by the way, just to keep things fresh, I have changed the order of the junior tables.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
