NB: Just a reminder that to be eligible to be in a ranking table you have to have shot only once, and then you can stay in the rankings for a year thereafter. In other words, to stay in the rankings permanently, you have to shoot at least once a year. After that year has passed, and there are no further scores in the system you are no longer listed in that table. Your presence in one table has no impact on your

presence in another table, as there are many archers who appear in more than one table.

NB2: I will from now on automatically delete tables if there are no ranking results in them, not a problem for the large tables, but only for the ones where there are less than a handful of archers.

Hi everyone,

So we now head into autumn, and the number of tournaments and scores for the month start to drop off slightly. However, there are lots of new archers again this month which is always great to see. Keep up the good work everyone.

As always, the best way to contact me on any matters relating to the rankings is at the email address below.
